## Department of English

### Program-Specific outcomes

Literature courses in the Department of English offer students the opportunity to study influential writings from the British, American, and global Anglophone traditions. Courses may focus on a historical period, an issue or theme, a critical approach, or a literary genre. Literature provides imaginative and critical insights into all areas of human experience, nature and culture, love and sexuality, selfhood and social identity, justice and atrocity, the sacred and the profane, the burdens of history and the dreams of the future. Learning to attend to the complexities of literary texts helps students become more active and critical readers, and the creative aspects of literary texts

Highlight the ability of the written word to elicit feeling, to cultivate an imaginative openness to others' experiences, and to call us to account as humans. Studying literature at the college level encourages all graduates of RJSPM's ACS College to view the reading of challenging and imaginative texts as an essential and rewarding part of a life-long commitment to learning and growth.

Goal A.
