

Social Extension Activity Committee

Education and health are considered to be the most important factors in human development which help to rid populations of poverty and support human rights. Discrimination against the poor is worst disease of any society. Human beings with time period have undergone many changes and now somewhere they have established the title Civil Society. The civil society is indeed considered one of the indications that denote democratic transformation and the renewal of economic policies towards the market system and the adoption of partnership in development between the state, the civil society and the private sector. The civil society also reflects the mobility of the society in the context of a societal and economic reality that is changing and requires the concerted efforts of individuals within the popular institutional frameworks as counterparts to those made by governmental institutions.

The Importance of Human Development in terms of living conditions in different Countries is very serious and concerning issue at international level. The statement “any society committed to improving the lives of its people must also be committed to full and equal rights for all” is true. There are so many factors to calculate human development in a country. These factors cover many aspects of civil society such as income, education, and health. They are considered to be the most important factors in human development which help to rid over population, poverty, illiteracy, crimes, and support human rights. First, the improvement of lives is directly related to human itself. Social work is not about providing solutions to problems but it provides an arena in which clients can review their concerns and see how they can manage them best and live an effective life. Social work links clients with services, resources and opportunities which might provide them with the help they need. Extension is an important activity which contributes to the enhancement of the status and public recognition of a profession and welfare of the society at large. Keeping this view in mind the Committee is established to serve;

The committee is established to spread awareness about the social responsibility:

- 1) Part of society work for society
- 2) To spread awareness on social, cultural and religious issues
- 3) Work for the weaker section of society
- 4) Organize lectures on career and life skills to meet the need of job market
- 5) Spread awareness about health
- 6) Spread awareness about environment
- 7) To create awareness in the community about girls’ safety
- 8) To sensitize the community on various issues such as female infanticide, eye-teasing and dowry
- 9) To train the girls in basic self-defense, and enable them to fend for themselves

Report of Social Extension Activities

Academic Year: 2018-2019

Tree Plantation:

Going green is the buzzword worldwide, fashionable too. But when it comes to translating idealism into action in real situation, most of us are clueless. We realized the need to contribute for the environment and to bring thought in practice, we took the initiative by organizing tree plantation program with students, staff and local community to create awareness towards tree plantation. This is a small effort and continuous process as a part of corporate social responsibility from **BBA Dept. of RJSPM's ACS College**. The Coordinator of this activity were Prof. Apurva Wathare & Prof. Sarika Jagtap. It was conducted on 27/07/2018 at 10.30am to time 01.00 pm in the College. 78 students were participated in this activity.

Grantha Dindi:

Book is the reliable source of information and knowledge. In the modern era, people are going away from the books because of internet and its effect on youth. Thus, the effect of it is that we are losing our tradition where we say “□□□□□ □□□ □□□□□” (books are the guruj). To realize the need to revitalize our own tradition, RJSPM's ACS College organized a 'Granth Dindi' 10/01/2019. The goal is to spread awareness in students and people about the books and their importance in life. The Coordinator of this activity was Dr.Pournima Kolhe. It was conducted on 27/07/2018 at 04.30pm to time 05.30pm in the College. The president of Rjspm's ACS College Mr. Vilas Lande Sir , all teaching facultyies and all students of Rjspm's were presented for this activity.

On this occasion, RJSPM's ACS College organized rally and poster competition to spread awareness about the value of vote and new registration of voter ID for the citizens of Bhosari area. The demonstration was given to the students about how to perform their votes of rights and how the voting machines work; CU and VVPAT. BLO, Nodal Officer, Supervisor of Bhosari (207 Vidhan sabha) Legislative assembly gave information to our students. The Coordinator of this activity was Prof. Deepak Pawade. This activity was conducted on 25th January, 2019, at 09.00 am to 01.30 pm in the College.

Disaster Management:

Disaster management can be defined as the organization and management of resources and responsibility for dealing with all humanitarian aspects of emergencies, in particular preparedness, response and recover in order to lessen the impact of disasters. Disaster management refers to how we can protect or preserve maximum number of lives and property

during a natural disaster. Disaster management plans are multi-layered and are aimed to address such issues as floods, hurricanes, fires and even mass failure of utilities or the rapid spread of disease. India has been traditionally vulnerable to the natural disasters on the account of its unique geo-climatic conditions. Flood, droughts, cyclones, earthquakes and landslides would have been recurrent phenomena. About 59% of the landmass is prone to earthquakes of various intensities. Over 40 million hectares is prone to floods about 8% of the total area is prone to cyclones and 69% of the area is susceptible to drought.

With this consideration aiming awareness of students for safety measures and operations, Rajmata Jijau Shikshan Prasark Mandal's Arts, Commerce, and Science College, Bhosari, Pune-39 conducted two days workshop on disaster management.

Fire the major factor of disaster is pointed as a key element of workshop. The workshop was conducted on 16th Feb. and 18th Feb. 2019 in the college campus. About 130 students participated in the program. The program was designed in two sessions per day, the experts mainly Mr. Chavan Prasad, Mr. Gaikwad Dilip and Mr. Chipade from Fire Brigade office Pimpri Chinchwad Municipal cooperation were invited Mr. Wagh Chavre from NDRF was also invited.

In the first session on 16th Feb, 2019 topic for guidance was "Disaster Prevention" which was conducted by Mr. Dilip Gaikwad. He did explain upon how the fire can be avoided and what preventions can be taken. On second day "Demonstration" of fire disaster management was given by Mr. Gaikwad and Team Fire Brigade office Pimpri Chinchwad, Pune.

Thus, this activity was carried out in the college to spread awareness among the college students about disaster management and different techniques to prevent it. Though the demonstration, that goal was fulfilled. The Coordinator of this activity was Dr. Sajit Khadekar. This activity was conducted on 16th Feb. and 18th Feb. 2019, at 09.00 am to 01.30 pm in the College.

Women's Day Celebration:

International Women's Day is celebrated in the world every year on the 8th March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. Its root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change. Its main goal is to create awareness of gender equality for a healthy society and also the target to give basic information for a girl child. Awareness about all these things in the society will further result in overall development of nation and its community. 8th March, considered as International Women's Day. This day brings many things for women a cause for celebration, a reason to pause and re-evaluate an inspiration and a time to honor, loved and admired. To honor womanhood, Rjspm's ACS College celebrated the International Women's Day on Tuesday, 8th March, 2018. The event took place in the presence of Director Hon. Dr. Manjushre Bobade. She graced the occasion by addressing students that they should create an opportunity to establish ourselves as successful person. The Coordinator of this activity was Prof. Savita Veer.
